COUNTY TO ACT AGAIN FOR HOSPITAL

SUPERVISORS MOVE TO GET MORE BIDS FOR BUILDING STRUCTURE; BOARD TAKES ACTION AGAINST COURSING IN COUNTY.

At a meeting of the county supervisors held at Redwood City Monday, the matter of readvertising for bids for the building of the county hospital at Beresford was taken up and acted upon favorably. Architect W. H. Toepke, who drew the original plans for the hospital, addressed the board and stated that certain portions of the finishing work could be eliminated at this time, to be taken up later when building costs have been reduced. Bids for the building received some time ago were all rejected as too high. County Clerk Elizabeth Nash was instructed to readvertise for bids, to be opened May 16th.

At this meeting Supervisor MacBain brought to the attention of the board the fact that coursing matches in this county are in violation of ordinance 155, adopted by the board in 1899. MacBain stated that matches were held at San Bruno last summer and another season had reopened last Sunday at the same location. By action of the board, the county clerk was instructed to address letters to District Attorney Franklin Swart and to Sheriff Michael Sheehan, advising them that steps must be taken to the end that no more of these matches shall be held.

A communication was received from G. Patroni, regarding the donation of land through his property at El Granada. Patroni stated that he had decided that he would grant the right for roads asked for. Supervisor Francis informed the board that he had a talk with Patroni, who was willing to grant the right of way for one road, and the board therefore instructed the county surveyor to make a survey of the road from the highway to El Granada tract over Patroni's property for the purpose of accepting the grant.

A communication was received from State Senator M. B. Johnson, in which he stated that he was in accord with the action of the board in protesting against the state tuberculosis budget being cut in half. Johnson's letter was ordered filed.

R. C. Bassart of Montara sent a letter to the board regarding the condition of the road from Colma to Montara, and suggested that members of the board go over the road to ascertain how badly it is in need of repair. The letter was read and ordered filed, on motion of Supervisor MacBain, seconded by Supervisor Hickey.

At this meeting bids for the repairing and oiling of the La Honda road were to be opened. Only one bid for the work was received, this coming from J. J. McHugh of San Francisco. The figure set was for 12 cents per square foot for the repairing and oiling, with a lump sum of \$3900 for furnishing rock required. As this figure was considered too high, it was rejected on motion of Supervisor MacBain, seconded by Supervisor Hickey.

The board then authorized Supervisor MacBain to have the work done by day labor and authorized the closing of the road while the work went on.

Plans and specifications for a retaining wall at one point on the road were submitted by County Surveyor Kneese, and the clerk was authorized to advertise for bids for this work, such bids to be opened May 2d.

Mrs. L. Broniscoe, through a firm of San Francisco attorneys, made application for a permit to open a home at Menlo Park for aged persons. This was laid over for action at a later date.

A. Levin of 122 Los Olivos avenue, Daly City, applied for and was granted a renewal of his license to sell junk. A notice was received from the Railroad Commission of the hearing of the application of the Great Western Power Company for an order continuing the 115 per cent surcharge on service supplied by the company, the hearing for which was held in San Francisco Monday. A notice was also received from the commission of the

MAN SHOT TO DEATH WHEN TAKEN FOR THIEF

Frank McDonald of San Bruno Killed When He Tries to Gain Entrance Into Neighbor's Home.

Owing to his having, apparently, mistaken a neighbor's home for his own, Frank McDonald, who lived in San Bruno, was shot to death at an early hour Sunday morning by August Quilucci of 2 Mason avenue, San Bruno. McDonald was rushed to the South San Francisco Hospital, but although Dr. F. S. Dolley did everything possible to save the man's life, the nature of the wound was such that the victim of the distressing accident died within a short time.

According to the testimony of Quilucci at the inquest held in South San Francisco Monday, he was awakened at about 3 o'clock Sunday morning by somebody knocking at the door of his home. Quilucci became frightened and refused to open the door. McDonald then went to a rear door and to a window endeavoring to gain admittance. Quilucci finally became convinced that the man was trying to break in with some evil intention, and fired at him through the window shutter.

The bullet struck McDonald and he fell to the ground, whereupon Quilucci ran to the home of a neighbor and gave the alarm. Former City Marshal William Wedell of San Bruno, who heard the shot, hurried to the scene. The wounded man was Wedell's brother-in-law.

Quilucci was arrested after the shooting and lodged in the county jail at Redwood City, but was released following the verdict of the coroner's jury which exonerated him.

McDonald is survived by a widow, Olga, and four children, the eldest of whom is 4 years old. His family and relatives are at a loss to explain his attempt to enter Quilucci's home, unless he was in a dazed condition due to recent illness, and mistook the street for the one upon which his own home was located.

WRONG PHONE NUMBER FOR THE FIRE DEPT.

The attention of residents of this city is called to the fact that the local fire department is numbered wrong in the new telephone directory just issued. The number is given there as 337, but with the department now established at the city hall the number is 2. Number 2 should be called in case of fire.

COURSING TO CONTINUE.

It's all a mistake about the coursing at San Bruno being stopped. County Ordinance 155, supposed to prohibit coursing, merely specified that a license should be paid for the holding of the exhibits. The San Mateo Coursing Club will pay this license and continue its matches, the next one being planned for next Sunday. It was brought up at the supervisors' meeting Monday that the ordinance mentioned prohibited coursing, but a closer examination showed that it merely specified that a license should be paid.

NEIGHBORS' QUARREL IS ATREED IN COURT

Mrs. Margaret Marchi was up before Judge Cunningham Tuesday morning on a charge of battery sworn to by her neighbor, Mrs. Rosa Bettenelli. It was a neighbors' quarrel, in which Mrs. Marchi was accused of having administered a beating to the other woman. The defendant did not deny the charge and was found guilty, but sentence was suspended for a time on condition she behave in future in a more womanly manner. The two families live on Baden avenue.

MORE SO. S. F. CITIZENS EXPRESS THEIR VIEWS

Letters from residents of South San Francisco who approve the stand The Enterprise has taken for a clearer and better town continue to arrive at the office of this paper. Several will be found published below. They show beyond all argument that the better class of our citizens are demanding that something be done to better conditions here.

Editor Enterprise: Last week there was published in The Enterprise a letter written by me and signed, "Taxpayer." This letter said, among other things, that "the night watchman of South San Francisco was in a certain poolroom every night till closing time."

Saturday evening the night watchman came with two witnesses to my place of employment and told me that if I did not retract that letter he would bring suit against me.

I am willing to retract the words "every night," as I do not spend my evenings on Grand avenue nor do I make it a practice of seeing if the night watchman is on the job. When going to and from work between 10:30 p. m. and midnight, it is only natural that I should notice the few people on the street or to glance in lighted windows as I pass.

I will say that on numerous occasions I have seen the night watchman in a poolroom and have seen him leaving at closing time. On one occasion the writer had cause to report a certain matter, and found the night watchman holding down a chair in the rear of the poolroom.

As I told the officer when he called on me, I have nothing against him as a man, but as a taxpayer I object to the way this town has been running wide open as far as gambling and liquor is concerned. When these two things are allowed, disreputable characters are drawn as flies to jam; then robbery follows as a matter of course. I am sure there are many fair-minded citizens in South San Francisco who will back up the editor of The Enterprise in his fight for a cleaner and better city.

April 4, 1921.

Editor of The Enterprise: Your editorials of the last two numbers were most interesting to me. I wish to congratulate you for the campaign that you have started for the welfare of this town.

I believe that every good intentioned citizen of this town ought to use his best efforts in backing up this move-

CITIZENS SHOW SPLENDID PUBLIC SPIRIT

One of the greatest displays of public spirit ever shown in South San Francisco was seen at the city hall last Sunday, when over fifty citizens from every walk in life gathered at the beautiful municipal building and contributed their labor, to the end that the grounds around the building might be beautified. A large proportion of those who gave of their toil were men who had not done a day's manual labor in years, yet every man did a man's work with pick, shovel, or wheelbarrow in spite of the discomforts involved. Aching backs and blistered hands were forgotten in the good cause.

The plan to have as many public-spirited citizens as would do so contribute a day's work, to the end that the city hall grounds might be improved, was fostered by the local Chamber of Commerce. It worked out most successfully. The city did not have the funds to spend on this work, and from the first suggestion that this difficulty be overcome by volunteer work a large proportion of the leading citizens of the town promised their services. The skeptical, who declared that not a half dozen would be on hand when the day arrived,

STANDARD OIL STATION AT BADEN ROBBED SUNDAY

The Standard Oil station at Baden was added, Sunday night, to the list of local business places robbed in this vicinity of late. The loot secured was not large, consisting of a few dollars in change and a steel measuring tape. Entrance was gained by forcing open the door. The station closes in the evening at 5 o'clock, and the robbery might have occurred, apparently, any time between that hour and Monday morning.

Editor Enterprise—Dear Sir: It is with pleasure I add my appreciation of your editorials of the past two weeks.

Our city fathers ought certainly to sit up and take notice of them, for they are answerable to the citizens for their stewardship.

Certainly a night watchman cannot burn the candle at both ends, he must sleep sometimes. Echo answers, When? A WELL WISHER.

CITIZENS SHOW SPLENDID PUBLIC SPIRIT

were put to rout by Sunday's turnout. The hour set for the work to start was 9 o'clock, and within a few minutes thereafter the ground was alive with workers.

Landscape Gardener Hoff, who superintended the day's activities, was outspoken in his praise of the public spirit shown. "The work accomplished in the one day would have cost this city at least \$350," he declared.

When the site for the hall was graded most of the surface was removed down to clay. By Sunday's work this clay was taken off to the depth of about a foot and rich loam brought from the hill back of the Western Meat plant in trucks, whose services were contributed by Kauffmann Brothers and Supervisor Hickey, was spread in its place. This was mixed with fertilizer donated by the Western Meat Company. Although the entire amount of work necessary could not be accomplished in the one day, that done placed the project of improving the grounds on a footing where the city can easily do the remainder. A lawn will be sown and shade trees planted in the near future.

EXPLOSION STILL MYSTERY; PERHAPS MYSTERY STILL

The cause of the explosion that startled South San Francisco Tuesday night about 9:30 is still a mystery. Although residents here thought the blast occurred somewhere close to this city, it was heard as far south as San Mateo and sounded almost as loud there as here. Rumors are current that a large still somewhere in the hills on the peninsula blew up, but so far there seems no foundation for this story. No injuries have been reported to doctors or hospitals.

NEW FIRE ALARM SYSTEM ACCEPTED

City Fathers Again Consider Matter of Second Night Watchman; New Ordinance Given Reading.

The appointment of another night watchman came up again at Monday night's meeting of the board of city trustees. No official action was taken. T. McManus, who made application for the appointment, was advised to secure all the signatures he could from property owners willing to pay a stated sum each month to reimburse him. If he can get enough out of it by this method to serve without cost to the city, the appointment may possibly be made, although no promise to that effect was given by the officials. The board emphasized the fact that there is not sufficient city funds available at present to make the addition of another night watchman to the city payroll possible. It is known that two or three others desire the job, but these have not as yet made application to the board for the appointment.

The acceptance by the city of the new electric fire alarm system was brought up Monday night by an official of the Gamewell Electric Fire Alarm and Telegraph Company. The communication from the company stated that the alarm system has now been put in working condition and was ready for acceptance. After calling on Electric Inspector C. F. Schurk for an opinion as to whether the alarm system was in a satisfactory condition, and receiving an affirmative reply, the board agreed to accept the system and pay the company its money within thirty days. The original price stipulated in the bid for the contract was \$9947. To this has been added a number of items not called for originally, which brings the price to \$10,237.

The new ordinance making it a misdemeanor punishable by severe penalties to ring in a false alarm, was given its second reading.

Another new ordinance, officially creating the office of electric inspector and setting forth the rules and regulations which those engaging in electrical work in this city must conform to, was given its first reading.

A return was received from the committee which had in charge the New Year's Eve celebration in this city. A check for \$100.46 was received from E. C. Peck, the chairman of this committee, as the greater part of the money taken in at this affair over and above expenses. The communication stated that there were a few dollars yet to be collected and added to this sum.

A check for \$13.52 was received from the Pacific Gas and Electric Company as a rebate to the city from the amount put up as a guarantee for the electric current used during the New Year's Eve celebration and for the use of certain electrical equipment.

A license to operate a place of business for the sale of soft drinks was granted to Edward Ringue. The business address given by Mr. Ringue was 550 Baden avenue.

A communication was received from the Western Meat Company, offering for sale 400 feet of two-ply new fire hose at 80 cents per foot. Several nozzles for the hose were also offered for sale. The offer was referred to the purchasing committee for investigation and action.

A communication was received from the Associated Oil Company, stating that the check for \$73.59 recently sent the company by the city for fuel oil purchased had evidently been lost in the mail, as it had not been received. City Clerk McSweeney was instructed to stop payment on the original check and to send another for the amount stated to the oil company.

The Junior Chamber of Commerce, formed of high school students of this city, sent a letter to the city trustees offering to do all in its power to stop the ringing in of false alarms over the new fire alarm system. This communication was signed by Wesley Dotson as secretary.

The local American Legion post applied for and was granted permission to conduct a whist party and dance in this city the evening of April 9th. Reports of the different city officers for the month of March were

MAN KILLED BY CAR ON U. R. LINE

DENNY BUCKLEY DECAPITATED WHILE WALKING ON TRACKS BY HOME OF PEACE CEMETERY IN EVENING SUNDAY.

"We find the deceased came to his death by being struck by a United Railroads car, and that the United Railroads Company was negligent in the operation of the car at an excessive rate of speed."

Such were the findings of the coroner's jury in the inquest held Monday over the death of Denny Buckley, 54 years of age, who was knocked down and instantly killed by an interurban car on the San Mateo line near the Home of Peace Cemetery Sunday night. His body was decapitated. J. Travis, motorman of the car, who was arrested for manslaughter by Constable S. A. Landini of Daly City following the accident but later released on his own recognizance, was arraigned before Judge Ellis Johnson of Daly City Monday.

Evidence presented at the inquest showed that Buckley, who lived at 359 Twenty-first avenue, San Francisco, was walking along the tracks toward San Francisco at about 8:30 o'clock in company with his brother, also of San Francisco. He seemingly became confused by the bright headlights of the approaching car and failed to step out of its way. Witnesses testified that the car was traveling at a high rate of speed.

JOKE OR CONTENTMENT OF POLICE?

Somebody with a queer sense of humor or else some person determined to show how easy it is to commit robberies in this city broke in garages and took machines by the wholesale Monday night. That actual robbery was not the first consideration of the midnight operators is proven by the fact that all cars but one were left close by the garages, and in only one case was anything reported as stolen out of the machines. This one exception was Dr. Doak's car, where, according to the doctor's statement, a number of tools and a pair of goggles were taken.

The garages visited belong to Mrs. George Britton, Thomas L. Hickey, A. P. Scott, Dr. J. C. McGovern, and Dr. T. C. Doak. Dr. McGovern's car was not in the garage, but stood beside it in the alley. The visitors rolled the machine down Eucalyptus avenue to Baden avenue and there left it.

At Mrs. Britton's place, after the door had been forced open, an attempt had been made to roll the car out, but the machine became jammed against the side of the building and was left with the door open.

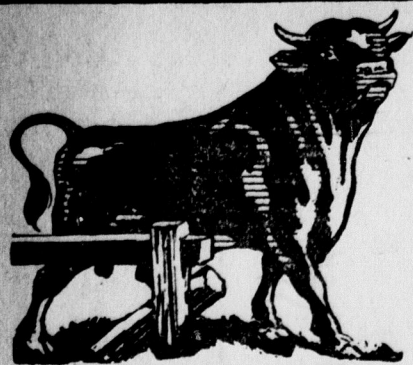

At Hickey's the door was not locked, and the machine was merely rolled into the street. At the Scott garage the lock on the door was broken, Mr. Scott's big Chandler limousine was left untouched, but his small light runabout rolled into the street and left.

At Dr. Doak's garage similar tactics were pursued, only here, according to the doctor, several small articles were taken.

All the places visited are within a radius of two blocks. Residents in this neighborhood heard dogs barking at about 1 o'clock, and it is believed that the midnight prowlers were making their visits at this time.

Rev. E. H. Molony and Mrs. Molony spent last week at Pacific Grove, returning Saturday night.

A number of bills against the city were audited by the finance committee.

REAL BOOSTERS

In lining up the real boosters of the high school, let's not forget the top-notchers, the trustees. Looking it over, we find that the honorable position of school trustee is a rather thankless job; many obligations and small compensation. Yet we find them giving extra time and labor for the benefit of the South San Francisco schools, and when it comes to backing the high school, we'll say that "they're there a million." This is not idle, pink tea, optimistic chatter; it is based on facts. For instance, Mr. Cavassa and Mr. Dinning left their business recently to judge an interclass debate at the high school. The school is greatly indebted to the trustees for securing the new baseball grounds, fence, and grandstand now under construction, and especially to Mr. Conrad, secretary of the board, through whose energetic efforts a \$500 donation from the land company was received.

Not only are the trustees back of the school, but the people in general, as proven by their support of our school plays and dances. The seniors decided at the last minute to give prizes in the grand march at "April Fool" masque ball. They went to "Julie's" ice cream parlor to buy the award, and when Mr. Eikerenkotter found out that it was for the high school, he donated a large box of choice chocolates, and Mr. Cavassa followed suit with the second prize. Furthermore, the people of South San Francisco are paying the highest school tax possible in support of the local schools. So when talking about boosters, don't forget Mr. Conrad, Mr. Cavassa, Mr. Dinning and the citizens of South San Francisco.

BRASS TACKS

Last Sunday the Chamber of Commerce worked hard on the city hall grounds, and the Junior Chamber promised to be there. Three members showed up to help out. Admitted that there were few at the meeting when the letter was read asking the Junior Chamber's help, there were more than three at least who knew. Every-

body is a booster until time for work, then only the real ones stick.

THE SCRUBS

The "Scrubs," after tasting the sweets of victory over a class only a half year more advanced than themselves, patted themselves on the back, took on a several-size-larger hat gear, and challenged the seniors to debate. Wow, watch us step Huh, Scrubs? However, you will have to add a few more laurels to your large hat before you will be entitled to a clash with the highest class in the school. When you do that, the seniors will be only too willing to meet you.

Names are pouring in fast, so we urge you to hurry. The contest will close April 12th. Every one is eligible to enter the contest and can send as many suggestions as he wants. It is not a mechanism; it is a soulful inspiration. You enter an enchanted Eden, carried on by a force as irresistible as time. There is no semblance of harshness, either in operation or sound—only the gentle undulations of its springs to stimulate a wayward fancy. It suggests a Venetian gondola, languidly floating on the most halcyon of seas, or a placid stream wending its peaceful way through sylvan glens. The symphony of it all lures one to serene forgetfulness. Life acquires a new phase, and there ensues a clearer conception of the sublimity of Nature. SENIORS' MASQUE BALL A SUCCESS

Friday evening, April 1st, the high school auditorium was the setting for a grand carnival, it being the occasion of an "April Fool's" masquerade ball given by the class of '21.

Overhead red and yellow pennants fluttered in profusion, while gay Chinese lanterns gave an Oriental touch.

Every one came in Mardi Gras costume. There was Prince of Folly, a Queen of the Harem, Yama Yama lads and lassies, Pierrettes and Pierrots—altogether making a wonderful and colorful scene.

Serpentine whizzed through the air like Chinese rockets falling in rainbow-hued ribbons among the revelers, while every one was licensed to throw as much confetti at his neighbor as possible.

At 10:30 there was a grand march to allow the judges to decide who would carry off prizes for wearing the most unique costumes. After conferring together, Principal Adams announced as winners Miss Sarah May Doak, first, who represented an "old-fashioned girl," and second, Miss Sylvia Haubrich in an elaborate Turkish costume.

Boxes of fine candy, generously donated by J. Eikerenkotter and H. A. Cavassa, were awarded as prizes.

The enjoyment of the evening was increased by the fine music rendered by Fagundes' orchestra.

Delicious punch was served between the dances.

GIRLS WIN NORTH END VOLLEY-BALL CHAMPIONSHIP

South City won the North End volley-ball championship by defeating San Mateo last Friday in all three games. The stars of the game were Captain Winifred Shaw, Genevieve Schmidt, and Evelyn Mayer.

Winning the North End championship leaves only San Jose to defeat for the championship of the G. P. A. L. The local girls will meet San Jose on San Mateo's court next Friday. In the last contest with San Jose, South City lost two out of three. San Jose played volley-ball last year and our girls were still novices at the game, but South City has improved its team work greatly since the San Jose game and is going into the game determined to win.

SAN MATEO DEFEATS SOUTH CITY, 10 TO 1

San Mateo delivered the 'worst defeat of the season last Saturday, when they took the local bunch over the rocks for a 10 to 1 whipping. The South City pitcher held the invaders down to one tally until the fatal sixth, when he blew up and got nicked for seven runs. As usual, his support was as bad as a last year's Easter egg. Somebody put holes in all the new bats or something, and, anyhow, nobody could connect hard enough to bring in the runs.

Next Friday South City will meet Redwood on their court. Of course, hopes are high, but the game will probably last only seven innings, and it takes about that long for the local nine to get started. A little fielding practice for the local team would do no harm.

"OLD CLOTHES" AND "APRON DAY" GREAT SUCCESSSES

Every one was surprised on March 31st to see Mr. Adams come to school in old clothes and Mr. Holt in overalls, with the rest of the members of the Junior Chamber dolled up like typical tramps. This was the first celebration of its kind in the high school, and it sure started something, for on the next Tuesday all the girls showed up in aprons and curls.

LOW FRESHMEN REGISTER KICK.

We are wondering why the sophomores forfeited their debate with us. Was it necessary, or were they trying to sidestep us? It is true they asked to have the debate postponed, but we asked for a postponement on account of one of our debaters being absent and the sophs would not grant it, so we were prepared to put in a substitute. Now that the sophomores have asked for a postponement, we don't feel that we have to grant it. Couldn't the sophomores have put in a substitute?

SPECIAL MEETING OF JUNIOR CHAMBER OF COMMERCE

A special meeting of the Junior Chamber was held Wednesday, March 30th, at 3:10. Mr. Adams acted as chairman and Wesley Dotson was appointed secretary pro tem. A communication from the city trustees, asking the assistance of the Junior Chamber in stopping false fire alarms, was read, and a motion was carried pledging that assistance. The advertising committee reported that Thursday had been selected for "Old Clothes Day." The improvement committee proposed a plan for beautifying the grounds with trees, that was accepted by the Chamber. Very few members were present at this meeting. As Charles Smith has left school, it will be necessary to elect a new president at the next regular meeting.

ATHLETIC FIELD IMPROVED.

The athletic field has been enlarged so that now the dimensions read 393x422. A high board fence and a grandstand are well under way and the field will soon be graded. All this has been made possible by the school trustees buying the additional land, the American Legion furnishing the labor, and a donation of \$500 from the land company. The American Legion plans to use the field every Sunday, but the high school will reap the greatest benefits. In view of this fact, Mr. Adams has suggested that some of the boys get out after school and help build the fence.

WOMAN'S CLUB PLANS ATTRACTIVE PROGRAM

The Woman's Club of South San Francisco is planning an entertainment for April 14th that should prove attractive to its members. A special program will be put on by the pupils of the fifth and sixth grades of the grammar school under the direction of Miss Helen Carmody and Miss M. McAuliffe. Another feature of the meeting will be a fashion show staged by the Woman's Club of Burlingame. Funds received from the meeting will go to the support of the Children's Home. The program will be given at Fraternal Hall.

WOMAN IN HOSPITAL AS RESULT SUPPOSED HOLDUP

Mrs. Marie Wilson of 40 Teddy avenue, San Francisco, is in the South San Francisco Hospital as the result of an accident that happened on the Bay Shore road last Saturday night at about 9 o'clock. The woman was run down and injured by a car driven by Charles Moorman of the Western Pipe and Steel Company.

Mr. and Mrs. Moorman had been visiting friends in South San Francisco during the evening and were driving back to their home in the city, when they rounded a turn in the road and came upon a machine standing in the way. Such is the evil reputation for holdups the Bay Shore road has acquired, that Mr. Moorman's first thought was that this was a bandit car. Seeing there was barely room for his big Cadillac to get by, Mr. Moorman "stepped on it," intending to dash past. Just as he reached the other car, Mrs. Wilson stepped out in the path of his machine and was knocked down. It then developed that the other car was stalled. Mrs. Wilson had been driving with her husband.

Mr. Moorman turned around and rushed the injured woman to the hospital, where it was found that three ribs were fractured and mild internal injuries had been sustained.

SO. S. F. WOMAN ASKS DIVORCE FOR DESERTION

Ada Stevenson of this city filed suit Tuesday in the superior court for divorce from Glenn Stevenson, charging desertion. The Stevensons were married in Sacramento, February 24, 1913, and have two children. The plaintiff asks custody of the children, costs of the suit, attorney's fees and such other relief as the court may deem suitable.

GAS RATES TO BE RAISED FROM APRIL 12

Gas consumers of Daly City, Colma, South San Francisco and other towns of San Mateo county as far south as San Mateo city will pay 10 cents per thousand feet more for the gas they use on and after April 12th, according to a new rate schedule allowed the Pacific Gas and Electric Company by the State Railroad Commission. The application of the gas company for this raise was granted Friday of last week.

According to the commission the increase in rates was made necessary by an increase in the price of fuel oil which added \$267,600 to the company's annual operating expenses, and by the passage of the King tax measure, which will mean an addition of \$220,000 to the company's taxes.

In many districts the increase in rate will be 15 cents per thousand feet.

ORDINANCE 108; A JOKE OR A FAILURE?

November 15, 1920, is a date memorable in South San Francisco for at least two reasons. That evening the city council met for the first time in the beautiful new city hall. That's reason number one. The second is that at that meeting there was introduced for its first reading a new city ordinance that is now in a fair way to go down in local history as either a grim joke or else as one of the flattest failures in the way of municipal legislation ever placed upon an ordinance book. That measure, No. 108 of South San Francisco's ordinances, was given its second reading the evening of December 6th and became effective (?) thirty days later, or January 7th of the present year.

Was Ordinance 108 intended as a joke or was it passed in good faith and then found impossible of enforcement? One thing is sure, it is a joke at present, so far as its enforcement goes.

It has been reported to the editor of The Enterprise that members of the board have stated privately they do not believe this ordinance can be enforced. Whether any of them did so state is immaterial. Certain it is that it is being freely declared around town the ordinance cannot be enforced. Should this be taken as a slur at the attorney who drew the ordinance for not making it "tight" enough, at the city trustees as questioning their powers to enforce their own ordinances, or at the police officers for not doing their sworn duty?

The first conclusion is hardly tenable as South San Francisco has, admittedly, one of the ablest city attorneys in the state, and so far nobody has specifically and openly questioned the validity of the ordinance.

There remains, then, but the two other meanings to be placed upon the remark. If the first is accepted as the one intended, The Enterprise rises to inquire why the trustees cannot enforce this ordinance? This question is especially in order when we consider that no attempt has yet been made to enforce it, therefore there is no proof it cannot be done. If this meaning is accepted, also, it would seem aimed as a reflection upon the trustees, suggesting weakness and inefficiency.

If the last meaning is accepted, that the present police officers are not doing or will not do their duty, and the charge is the true reason for the failure to enforce the ordinance in question, then why in the name of all that is reasonable do the city trustees not let the present officers go and get men in their places who will enforce the law?

As The Enterprise sees it, no fault can be found with the ordinance as drawn. It gives the city trustees and the police officers under them all the power the situation could demand.

A study of the ordinance reveals several interesting provisions. Section 2 states:

"It is hereby declared to be and is hereby made unlawful for any person, persons, firm or corporation to sell within the City of South San Francisco any beverage or drink of any kind or nature and legally salable without having the license therefor in this ordinance provided and by this ordinance required."

Very good so far. Every place of business selling drinks of any kind must have a license.

In the latter part of Section 4 we find the following: "... any and all licenses shall be issued, accepted and held subject to the pleasure of the Board of Trustees of the City of South San Francisco and may be revoked by said Board of Trustees or a majority of said Board at any time for such cause as to said Board or a majority thereof shall upon investigation seem sufficient."

Aha! Then the trustees may revoke a soft drink seller's license at any time and for any reason that may "seem sufficient" to them. Then if they do not so revoke such license it must be taken that there is no reason to do so that appeals to them as sufficient. In other words, the peddling of booze, a business that every one of the trustees knows a large per cent of the soft drink places in town are engaged in, is not taken as such reason. Then, may we ask, what in heaven's name would they consider sufficient reason for such action?

But wait! It is not left altogether in the trustees' hands as to what may be considered sufficient reason for the loss of a license. In Section 12 is set forth the following:

"... or who shall not abide by all laws and ordinances now in force or which may hereafter be enacted regulating places of business where any such beverages or drinks are sold, given away or furnished, shall forfeit all permits and licenses theretofore granted or issued to said person, persons, firm or corporation under the provisions of this ordinance."

Then that person "who shall not abide by all laws now in force" should, under the provisions of this section, "forfeit all permits and licenses" granted him. And is the "bootlegger," the "blindpigger," the peddler of "jackass brandy" and rotgut poison not breaking the law? If he is, then he should most assuredly, under section 12, have his license revoked.

"But suppose a license is revoked," somebody will say, "the person losing it will merely go on selling booze without a license."

Would he? Section 16 says that any person operating without a license or "who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than \$100 and not more than \$300 or by imprisonment not exceeding three months or by both such fine and imprisonment."

Sounds fine and fierce, does it not? And it would be fine and effective if enforced. It would seem that everything needed for the stamping out of "blindpiggering" is provided in that ordinance. Every place selling or giving away drink of any kind must be licensed. Any license may be revoked for any reason the trustees or a majority of the board deem sufficient. Any person selling or giving away any beverage of any kind without a license may be arrested and fined up to \$300 or imprisoned up to three months. And how many "blindpiggers" would be arrested and fined \$300 or given three months in jail, do you suppose, before the remainder of the fraternity would see the light and seek pastures or occupations new?

So far for what the city trustees may do under the provisions of their own ordinance. Next week The Enterprise will take up what the city marshal may do under the ordinance, in fact, what it is clearly stated as his duty to do. It will also show what is being done in a city near by under a similar ordinance.

ATTEMPTED INTIMIDATION

Last week The Enterprise received, among other letters, one accusing the night watchman of spending much of his time during the evenings in pool halls. Following the issue of the paper, the officer mentioned went with two friends and, interviewing the letter writer, told him he (the officer) would bring suit against him if he did not retract what he had said. These facts are set forth in a letter in today's Enterprise.

But the officer had mistaken his man, and his attempt at intimidation failed of its purpose. The man who wrote the letter has courage, backbone, and knows he is speaking the truth. All honor to him for standing by the right as he sees it. One need not fear suit for libel so long as one speaks the truth.

If you believe in this agitation to make South San Francisco a better and cleaner city, write to this paper and state your views. Show a little backbone where moral issues are at stake.

At the same time no prohibition is placed upon the other side from stating their case if they have any. We'll be fair to all. Make your letters short and to the point.

SAN BRUNO LOCALS

Miss Elithia Lindsay has returned home from a visit at Lakeport.

A baby girl was born to Mr. and Mrs. L. Battany of Lomita Park last week.

Paul Bargelt visited with Mr. and Mrs. Ashley and family of Fourth addition last week.

Mrs. S. Della Maggiora, who has recently been very ill, is reported to be on the road to recovery.

Miss Eileen Knealy of San Mateo visited with Miss Eunice Dudley of Huntington Park last Sunday.

Mrs. Richmond, mother of Mrs. J. Lindsay of Fourth addition, visited with Mrs. Lindsay last week.

NO QUORUM.

The local Chamber of Commerce did not hold a meeting Wednesday evening, owing to the fact that a quorum did not show up.

LEAGUE TO HOLD MEETING.

San Bruno's Epworth League will hold its next regular monthly meeting Friday evening, April 8th, at 8 o'clock sharp. Every member is urged to be present as there is important business to transact. Bring a friend, member or otherwise (preferably otherwise), so that said friend may be enrolled as a new member.

MAY ATTEND MEETING FOR IRISH RELIEF CAUSE

The American Committee for Relief in Ireland held a very enthusiastic mass meeting at the Novelty Theater last Wednesday evening. A number of speakers addressed the audience on various phases of the Irish question. Contributions of over \$200 were made. Permanent organization was formed with J. J. Hearne as chairman, P. Kane as secretary, and J. J. Jones as treasurer.

MERCHANTS TAKE GAME FROM WESTERN UNION TEAM

The San Bruno Merchants' baseball team defeated a Western Union team by a score of 12 to 1 on the local field last Sunday. The feature of the game was the pitching of Hodson, who struck out eight batters and allowed only two hits.

Next Sunday the local boys travel to San Mateo to play there. A new man by the name of McClintock will pitch for the locals, and the boys feel confident of victory. The game is

called for 2:30 p. m. All who can should journey to San Mateo and boost for the boys to win.

On Saturday evening, April 23d, the boys are giving a dance, the proceeds of which will go to pay for equipment purchased this year. The boys should have the support of all to help make this dance a success, in order that they may have the necessary equipment.

APRIL FOOL PARTY AT WINNING HOME

Last Friday evening the Rev. Del Norte Wining's cottage was the scene of a merry April fool's party. A large number of Epworth Leaguers and their friends attended in costumes of various hues and ideas. Games aplenty with lots of variety kept the guests contented and happy. Just before refreshments were served all were requested to take a short walk. When they returned they found all of the tables set with good (?) things to eat. The question mark stands for some of the foreign articles found in a portion of the refreshments. Every one when leaving for home voted the evening most enjoyable and one of the best social parties attended for a long time.

P. J. SULLIVAN FILES SUIT AGAINST MAHER BROS.

P. J. Sullivan has filed suit in the superior court at Redwood City against W. L. Maher and H. F. Maher for the balance alleged due on a promissory note of \$1060, together with interest of \$16.80 and attorney's fees of \$97.67 and costs of suit.

In May of 1920 Mr. Sullivan sold a general merchandise store in San Bruno to the defendants, according to the information filed. In payment he accepted a note for \$1060, payable six months from date, with interest at 7 per cent. According to Mr. Sullivan, only \$100 has been paid.

By order of the court an attachment was placed on the store.

P.-T. ASSOCIATION SCORES WITH PLAY AND DANCE

The Parent-Teacher Association presented the "Districk Schule" to a crowded house at California Hall Saturday evening. The entire entertainment was much enjoyed, and again it is demonstrated that San Bruno can boast much latent talent. The play, "The Districk Schule," was very amusing, and the quaint costumes and girlish coiffures created much merriment. George Edwards as the schoolmaster proved his ability to teach the kind of pupils present. It would be difficult to say who deserved the most credit for the learning displayed—the teacher or the pupils—but Trustee J. T. O'Connor as four-year-old Buddy was irresistible. No one had a chance to feel downhearted or blue during this performance.

Between the two acts of the play Les Empey presented a very clever monologue that brought many laughs. Mr. Empey is well-known here as an entertainer, having taken part in various lodge entertainments.

Little Miss Alma Riteman of Lomita Park danced very prettily, and was encored several times.

The numbers rendered by the chorus, under the leadership of Joseph Schuster, were much enjoyed. Mr. Schuster deserves much credit for the efficient manner in which he trained the chorus. That he can produce results is demonstrated by the fact that the chorus has been practicing for a very short time and at none of the rehearsals was the entire personnel present.

Those taking part in the chorus, and to whom the Parent-Teacher Association extends its sincere thanks, were, besides the leader, Mr. Schuster, Mesdames Rutherford, Berg, Coturri, Miller, Misses Eunice Dudley and Vella Ledwith and Messrs. Olsen, Archie Allen, and Charles Ledwith.

The following well-known San Bruno people took part in the play: Mesdames Traeger, Smith, Obenshaw, Holliday, Ludwig, Storer, Lindsey, and Brose and Messrs. Callaghan, O'Connor, Holliday, Mueller, Osborne, Marshall Ledwith, Ludwig, Flynn, Clark, and Edwards.

During the intermission the retiring president, Mrs. J. J. Ledwith, spoke briefly of the work done in the school cafeteria, the prominence the Daddies' Club is gaining, and the work of the coming year for the local organization. The local organization is out to get a membership of over one hundred paid-up members. Every parent is urged to enroll at once and help carry on the important work planned.

Dancing upstairs followed the entertainment and was enjoyed by a large crowd. Refreshments were served also, and altogether the evening was a most enjoyable one, from both the social and financial view points.

COLMA LOCALS

Henry Schath Jr. of San Francisco was visiting friends here Saturday.

Carl Jones, who went to Los Angeles on a business trip recently, is home again.

Philip Deller Jr., who is on the sick list and under the doctor's care, is slowly improving.

Miss Marie Onita of Redwood City spent a pleasant week-end at the home of her parents, Mr. and Mrs. G. Onita.

Manuel Silva of San Francisco enjoyed himself visiting friends here on Wednesday last.

Paul Paulson and cousin, Paul Carlson, of San Francisco were visiting friends here Monday.

Mrs. Ricco Olcese and children, Richard and George, of Millbrae spent Easter Sunday with Mr. and Mrs. Frank Olcese and family.

Miss Olga Ottoboni of Colma attended the breakfast at the Palace Hotel given by the Vittoria Colonna Club, of which she is a member.

The coursing season, officially opened on Sunday last at the San Bruno tracks under the San Mateo Coursing Club, was a well attended affair.

Miss Mary Haskins of Salinas, Monterey county, who visited at the

home of her grandparents, Mr. and Mrs. A. A. Haskins, Easter week, has returned to her home.

Floors—Refinish Yours Yourself

with paint or varnish. We tell how

IT'S a simple matter, if you cannot get a painter, to refinish any floor—fun, in fact, to do the work yourself.

We make the finest finishes. They dry over night, so you can walk on them in the morning.

They are made for laymen's use as well as painter's—they flow and spread easily and cover well. The result is a smooth and lustrous finish—just the one you want to get, although you—an amateur—do the work.

Women can apply these products as well as men.

Fuller makes a famous floor paint—Rubber Cement Floor Paint and two famous var-

ishes called "Fifteen-for-Floors" and "Fullerwear."

They are Fuller's Specifications for home floors—each for a particular effect.

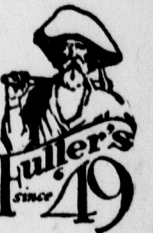

We make also a special line of paints, varnishes, enamels, etc., for all kinds of interior decorating. And we maintain a Free Advice Department that will tell you in detail how to use them. You simply describe the article, how finished now, and the effect you want to get.

We've specified these materials and methods for you after 72 years' experience with paints and painting practice. We are one of the largest paint manufacturers in the United States.

Don't think you can't do work like this simply because you haven't ever done it. Follow Fuller Specifications and you'll get the right effect.

Where to Buy

Important that you get the right material so be sure to go to the right store for Fuller Products. Cut out the coupon below as a memo to direct you.

FORMER COLMA MAN TAKES BRIDE IN SAN FRANCISCO

William F. Hesseline of Daly City, formerly of Colma, was recently united in marriage to Miss Violet C. Plath, 210 Laurence avenue, San Young Hesseline's many friends hereabouts wish him much happiness.

SUCCESSFUL WHIST PARTY GIVEN BY LADIES' HOME CLUB

Members of the Ladies' Home Club of Colma deserve credit for the interest and work which made the whist party given at the Henry Ward Brown Memorial building on Dunk street Saturday evening a success. The hall was artistically decorated with yellow banners and California poppies. After the whist Mrs. F. R. Greene played the piano, while solos were rendered by Miss Mary Mooney of San Francisco, Mr. Skervira of Daly City, and Miss Evelyn Lafance of Colma. There is no doubt that the ladies of the Home Club will accomplish their aim—a library in Colma. A most enjoyable evening was reported by all attending, and the prize winners were: J. F. Cook of Daly City, first; Dr. D. B. Plymire of San Francisco, second; Mrs. Charles Schumaker of San Francisco, third; Robert Jensen of Colma, fourth; Ed Netland of San Francisco, fifth; Miss Rose May of Colma, sixth, and K. Cusick, seventh.

Julius Schindler's orchestra furnished the music.

The happy couple will make their home in Colma, and their many friends congratulate and wish them a happy and prosperous future.

CHAS. BONALANZA DIES AT HOME THURSDAY AFTERNOON

Charles Bonalanza, one of this city's well-known merchants, died at the family home Thursday afternoon. Death came after a protracted illness. Mr. Bonalanza had been in business in this city many years. With his brother he conducted a store with a barber shop in connection on Grand avenue.

The deceased leaves a widow and three children. Funeral announcement will be made later.

NEW BASEBALL PARK IS RAPIDLY TAKING SHAPE

Work on the new ball park at the high school is going on rapidly, with

a number of members of Bernard McCaffery Post and several high school students working each evening digging post holes, constructing fence, etc. This work is being done under the supervision of a competent carpenter. Within a short time this city will have a ball park that will be a credit to it.

SCHOOL CHILDREN ENJOY HIKE TO MOUNT TAMALPAIS

The children of the eighth grade, Jefferson school of Colma, accompanied by their teacher, Miss Agnes Gilcrest, spent last Tuesday at Mount Tamalpais. After lunch the children hiked fifteen miles to Muir Woods. The trip was enjoyed by the following: Miss Agnes Gilcrest, Vivian Benassini, Annie Boetto, Elina Bollenfanti, Lena Camenzino, Alvina Jost, Thelma Murphy, Theresa Capurro, Louise Perata, Rena Ranconi, Louise Vernengo, George Biggio, Romeo Raggio, Louis Risso, Mansuetò Granucci, Frank Sunderman, Augustine Conci, Frank Harduk, Laurence Varni, and Guido Salamoni.

POPULAR COUPLE WED.

On Saturday evening, April 2d, a pretty wedding took place in San Francisco at Notre Dame des Victoires Church. It was that of Miss Marie Betcabe of San Francisco and Leon Domecus, a prominent business man of Colma and well known throughout this end of the county. The popularity of the bride and groom was proven by the crowd of spectators at the church.

The bride was attended by Miss Leocadie Berducon and the bridegroom by Pierre Oron. The bride was gownned in a beautiful white georgette dress and carried a bouquet of white and pink roses, while her attendant wore a light pink georgette dress and carried a bouquet of the same roses.

After the ceremony the bridal group and several friends returned to Colma to the couple's pretty home, thence to the Schindler residence, where a sumptuous wedding supper was partaken of by relatives and near friends in the comfortable dining hall, which was especially decorated for this occasion by several of the groom's friends. The evening was pleasantly spent with miscellaneous amusements and passed all too soon. Dancing was one of the main features indulged in.

NOTIZIE DALLA CONTEA IN ITALIANO.

I TRUSTEES DELLA CITTA' TENGONO LA RIUNIONE REGOLARE LUNEDI'

Il nuovo ordine della citta' dichiara-
nte offesa alla legge suonare un falso
allarme del fuoco, ricevette la sua
seconda lettura la riunione dei trust-
ees di South San Francisco Lunedi'
sera.

L'ordine prevede per severe pene
a chiunque trovato colpevole di dare
simile falso allarme.

Il nuovo allarme elettrico del fuoco
fu formalmente accettato dai trustee
a questa riunione. La somma richiesta
di \$10,237 sara' pagata nel limite di
trenta giorni.

La somma di \$100.46 fu data ai
trustees in questa adunanza, con-
tributo della festa dell'Anno Nuovo
tenuta in questa citta'. Vi e' ancora
una piccola somma da essere col-
lettata ed addizionata a questo fondo.

Fu dato licenza ad Edward Ringue
per vendita di bibite leggere al 550
Baden avenue.

Rapporti dagli ufficiali della citta'
furono ricevute e poste in file.

DIVERSI CITTADINI LAVORARONO INTORNO AL PALAZZO MUNI- CIPALE DOMENICA SCORSA

Circa cinquanta cittadini di South
San Francisco contribuirono un buon
giorno di lavoro Domenica scorsa per
il miglioramento della terra cir-
costante il palazzo municipale. Il
lavoro comincio' alle ore nove del
mattino e continuo' fino alle 5 della
sera.

Il lavoro fu fatto poiche' le finanze
della citta' non permettono che il
lavoro venga fatto da lavoratori pagati.

UOMO UCCISO SUL BINARIO VICINO AI CIMITERI

Denny Buckley di San Francisco, di
anni 54, fu ucciso istantaneamente
Domenica sera, quando investito dal
travaso elettrico di San Mateo vicino
alla Cimitero della Casa di Pace.

L'uomo camminava verso la citta' e
sembra essersi confuso per luce in
fronte al tranvia.

J. Travis, il manovratore, fu posto
sotto arresto per accusa di uccisione.
Esso fu portato davanti al Giudice
Johnson di Daly City Lunedi' e la
giuria incolpo' la compagnia causa la
grande velocita' colla quale il tranvia
viaggia in quel luogo.

I SUPERVISORS CHIEDONO OFFERTE PER LA COSTRU- ZIONE DELL'OSPEDALE

Alla riunione dei supervisors di
Lunedì scorso a Redwood City, fu
istruito lo scrivano conteale per
l'avvertimento delle offerte di costru-
zione dell'ospedale conteale. Tutte le
offerte ricevute per questo lavoro
furono respinte essendo dichiarate
troppo alte.

Certi dettagli di lavoro saranno
abbandonati per diminuire il costo
della costruzione.

Il Supervisor Mac Bain dichiara' che
le corse in San Bruno erano contro
l'ordine 155 della contea adottato nel
1899 il quale stabilisce le corse in
questa contea fuori legge.

L'avvocato del distretto e lo sceriffo
furono instruiti che nessuna corsa sia
avanti tenuta.

Offerte per la riparazione della
strada di La Honda furono rigettate
essendo troppe care ed il Supervisor
MacBain fu autorizzato di far fare il
lavoro da uomini a giornata.

Una lettera del R. C. Bassart chia-
mante l'attenzione per le cattive con-
dizioni della strada da Colma a Mon-
tara fu dichiarata posta in fila.

PRO OSPEDALE ITALIANO.

Nella riunione di sabato sera del
South San Francisco Grove, No. 171,
dell'Unito ed Antico Ordine dei Druidi
fu deliberato di indorsare la cam-
pagna iniziata dalla Federazione delle
Societa' Italiane per la raccolta dei
fondi per l'acquisto del Sanitario
Adler di San Francisco per trasfor-
marlo in un vero ospedale italiano.
Il South San Francisco Grove che
e' composto completamente di lavora-
tori italiani, conscio della nobile
iniziativa della Federazione delle So-
cietta' Italiane, seduta stante deliber-
ava di acquistare, per il presente,
un' Azione di 100 dollari. Questa fu
la prima sottoscrizione nella nostra
colonia. Altri influenti connazionali
hanno gia' contribuito con una me-
desima somma.

Fra gironi sara' iniziata in questo
distretto la raccolta dei fondi. Un
apposito comitato debitamente auto-
rizzato fara' una visita a tutte le
famiglie italiane e siamo certi che
questa colonia rispondera' generosa-
mente all'appello lanciato dalla Fed-
erazione.

E' dovere di ogni bravo italiano di
acquistare tante azioni a seconda
delle proprie forze finanziarie; com-
piendo cosi' non soltanto un'opera pia;
ma anche dal lato finanziario, un in-
